1. On 4th February 2004, the Sesay Defence filed its Application for Provisional Release¹ under seal.
2. The Sesay Defence does not currently hold either a paper copy of an electronic copy of the Provisional Release Application, portions of which we wish to refer to in the Sentencing Brief. Following inquiries, it appears that neither Chambers nor any of the parties have a copy of said Application on file.
3. The Sesay Defence therefore applies for a Court Order to have the copy of the Provisional Release Application re-served to the Sesay Defence and the other parties.
4. Given the rapidly approaching deadline for the filing of the Defence Sentencing Briefs, expedited filing deadlines are requested. The Defence understands that there are no objections to the re-service of the Provisional Release Application.
