5. (1) The publication of such list shall be prima facie evidence that the persons named therein are registered under this Ordinance, and the absence of the name of any person from such list shall be prima facie evidence that such person is not registered.

(2) All register books and all copies thereof or extracts therefrom, certified under the hand of the Registrar, shall be receivable in evidence in all Courts of Justice in Sierra Leone.

(3) The Registrar shall produce, or cause to be produced, any register book in his office on subpoena or order of any Court without payment for so doing, unless the Court or tribunal shall otherwise direct.

6. (1) The following persons shall be entitled to registration under this Ordinance as medical practitioners—

(b) the holder of a degree or licence in medicine or surgery of any medical school in Europe, the United States of America, or the Empire of Japan, the degrees, diplomas and licences of which are recognised as entitling to registration by the General Council of Medical Education and Registration in the United Kingdom.

(2) The following persons shall be entitled to registration under this Ordinance as dentists: Any person who—

(a) possesses a licence or degree in dental surgery or dentistry of any of the bodies and universities who elect members of the General Council of Medical Education and Registration in the United Kingdom; or who is registered, or entitled to be registered, in the Dentists' Register of the United Kingdom; or

(3) No person shall be entitled to registration whose name has been struck off the register of the General Council of Medical Education and Registration in the United Kingdom.

7. Every person registered under this Ordinance who may have obtained any higher degree or qualification, other than the qualification in respect of which he may have been registered, shall be entitled to have such higher degree or additional qualification inserted in the register in substitution for, or in addition to, the qualifications previously registered, without payment of any further fee.

8. Every medical practitioner registered under this Ordinance shall be entitled to practise medicine, surgery and obstetrics, and every dentist registered under this Ordinance shall be entitled to practise dentistry, and every medical practitioner and dentist so registered shall be entitled to demand, sue for, and recover in any Court of law, with full cost of suit, reasonable charges for professional aid, advice, and visits, and the value of any medicine or any medical or surgical appliances rendered or supplied by him to his patients.

9. No person shall be entitled to recover any charge in any Court of law, for any medical or surgical advice or attendance, or for the performance of any operation as a medical practitioner or dentist, or for any medicine which he shall have prescribed and supplied, or for any services performed as an obstetrician, within Sierra Leone after the coming into force of this Ordinance, unless he was at the time registered under this Ordinance; but all registration effected within three months after the coming into force of this Ordinance shall be deemed to relate back to the time of such coming into force.

10. No certificate or other document required by law to be signed by a duly qualified medical practitioner, given after the commencement of this Ordinance, shall be valid unless signed by a person registered as a medical practitioner under this Ordinance.

11. From and after the coming into force of this Ordinance the words "legally qualified medical practitioner," or "duly qualified medical practitioner," or "duly qualified medical officer," or any words importing a person recognised by law as a medical practitioner or member of the medical profession, when used in any Ordinance or Order of the Governor in Council or
in any Proclamation, or in any Order or Rules made thereunder, with reference to such persons, shall be construed to mean a person registered as a medical practitioner under this Ordinance.

12. All Medical Officers in the public service of Sierra Leone and all Medical Officers of Her Majesty’s army and navy respectively, residing in Sierra Leone, while on full pay, and all ships’ surgeons, while in discharge of their duties, shall be entitled to the privileges of persons registered under this Ordinance and may be registered free of charge.

13. (1) If any medical practitioner or dentist registered under this Ordinance, shall—

(2) Any person whose name has been struck out from the register may make application for the restoration of his name to the register, and the Governor in Council may, after due enquiry by a Board of Enquiry, take the report of the Board into consideration and order, if he thinks fit, the restoration of the name to the register.

Such Judicial Assessor shall act in an advisory capacity on matters of law only and shall have neither voice nor vote in the decision of the Board.

(c) Whenever an enquiry is held by the Board into the alleged offence or misconduct of any person the Governor may, at the request of the Board, appoint a barrister and solicitor practising in Sierra Leone, to present the case against such person.

(d) The person against whom any offence or misconduct is alleged, shall upon any enquiry as aforesaid, be entitled to appear and be heard by counsel.

(4) Any person whose name may have been ordered to be struck out from the register may appeal to the Supreme Court, which shall have power to annul or vary the order in respect of which such person appeals.

(5) Every appeal under this section shall be made within eight days from the date of such order, and the Registrar shall not strike out any name as aforesaid before such period has expired and he has ascertained that no such appeal has been lodged.

Time of appeal.

Temporary registration.

14. (1) Whenever the Director of Medical Services is satisfied that in the interest of the public the privileges of persons registered under this Part of this Ordinance should be conferred temporarily upon any person who possesses medical or dental qualifications which do not entitle him to registration under section 6 of this Ordinance and who either—

(a) is in the service of the Government as a medical or dental officer, or

(b) is a medical missionary attached to a missionary society recognised by the Director of Medical Services for the purposes of this section (hereinafter called a recognised missionary society)

the Director of Medical Services may authorise him to be registered temporarily as a medical practitioner or dentist, as the case may be, and for such time as any person remains temporarily registered as a medical practitioner or dentist under this section he shall for all the purposes of this Ordinance excepting sections 4 and 13 be deemed to be registered under this Ordinance as a medical practitioner or dentist, as the case may be.

(2) Temporary registration under this section shall be effected in a special register, which shall be kept in the form set out in Schedule A to this Ordinance, and a separate register shall be kept of persons temporarily registered as medical practitioners and of persons temporarily registered as dentists respectively.

(3) No fee shall be charged for temporary registration as a medical practitioner or dentist under this section.

(4) The Director of Medical Services may, without assigning any reason, strike out the name of any person from any register kept for the purposes of this section, and shall strike out the name of any person from such register as soon as he becomes aware that such person has ceased to be in the service of the Government or to be a medical missionary or to be attached to a recognised missionary society, as the case may be.
(5) At the same time as the Director of Medical Services publishes in the Gazette the list referred to in section 4 of this Ordinance, he shall also publish in the Gazette a list of the names and qualifications of all persons temporarily registered under this section.

(6) Such publication of such list shall be *prima facie* evidence that the persons named therein are temporarily registered under this section, and the absence of the name of any person from such list shall be *prima facie* evidence that such person is not so temporarily registered.

(7) Sub-sections (2) and (3) of section 5 of this Ordinance shall apply to any register kept for the purposes of this section and to all copies thereof or extracts therefrom.

15. The Governor in Council may order the removal from the register of the name of any medical practitioner or dentist who—

(a) is deceased; or

(b) is no longer practising medicine, surgery, obstetrics or dentistry in Sierra Leone; or

(c) has not supplied to the Registrar an address through which letters or telegrams addressed to him at such address will be delivered to him;

(d) fails to acknowledge within twelve months of the date of despatch the receipt of a registered letter addressed to him at the last address supplied by him to the Registrar;

(e) has obtained registration by a fraudulent or incorrect statement;

(f) has been registered through error as to his qualifications for registration.

16. The Registrar shall from time to time insert in the register any alteration which may come to his knowledge in the name or address of any registered medical practitioner or dentist, and shall erase from the register the names of all such registered medical practitioners or dentists as are ordered by the Governor in Council to be struck out or removed:

Provided that any names so struck out or removed may at any time be restored to the register without fee by direction of the Governor in Council.
17. Any person who shall wilfully and falsely pretend to be a medical practitioner or dentist or take or use the name or title of a medical practitioner or dentist or any name, title, addition, or description implying that he is registered under this Ordinance, or that he is recognised by law as a medical practitioner or dentist, shall be liable, on conviction, to a penalty not exceeding fifty pounds for each offence, and to a further penalty of five pounds a day during the continuance of such offence, or, in default of payment, to imprisonment for a period not exceeding twelve months.

18. Nothing contained in this Ordinance shall be construed to prohibit or prevent the practice of native systems of therapeutics by such persons as are recognised to be duly trained in such practice:

Provided that nothing in this section shall be construed to authorise the performance of any act on the part of any person practising any native system which is dangerous to life.

PART II.—DRUGGISTS.

19. It shall be lawful for the Governor in Council to add to Schedule B, with or without modifications, the names of any substances and articles which are to be treated as poisons by virtue of any Poisons List Confirmation Order made under section 17 (4) of the Imperial Pharmacy and Poisons Act, 1933, (23 and 24 Geo. 5, cap. 25), and to Schedule F, any simple medical substances approved as such by the Director of Medical Services:

Provided that any additions to Schedule B shall, when made, be published in the Gazette, and shall not have effect until the expiration of one month after such publication.

20. It shall be unlawful for any person to act as, or carry on the business of, a druggist, or to sell or keep open shop for the purpose of mixing, compounding, preparing, retailing or dispensing any drugs or poisons, unless such person shall be registered under this Ordinance and shall have obtained a licence to do so from the Director of Medical Services in the form set forth in Schedule D, and every person who shall act as, or carry on the business of, a druggist, or who shall mix, compound, prepare, sell, retail or dispense in open shop any drug or poison, without being duly registered and having obtained such licence as aforesaid, shall, on conviction, be liable to a penalty not exceeding twenty pounds:
Provided that this section shall not apply to any duly qualified medical practitioner registered in Sierra Leone.

21. It shall not be lawful for any person, not duly registered and licensed as a druggist according to the provisions of this Ordinance, to assume or use the title of chemist or druggist, or to assume, use or exhibit any name, title or sign implying that he is registered and licensed under this Ordinance; and if any person not duly registered and licensed under this Ordinance shall assume or use the title of chemist or druggist or shall use, assume or exhibit any name, title or sign implying that he is a person registered and licensed under this Ordinance, every such person shall be liable, on conviction, to a penalty not exceeding twenty pounds.

22. (1) It shall be lawful for the Governor to provide for the examination of such candidates for licences as may desire to be examined, in accordance with rules to be made under section 40 of this Ordinance, and to establish a Board of Examiners which shall consist of the Director of Medical Services and other Medical Officers for the time being, together with such other person or persons, as the Governor may from time to time appoint. The Governor may revoke such appointments and fill vacancies in the Board.

(2) The Director of Medical Services for the time being shall be President of the Board, and the President, together with any member of the Board, shall form a quorum. In the absence of the Director of Medical Services or for other necessary or reasonable cause, the senior Government Medical Officer shall preside at any meeting of the Board.

(3) Examinations shall be held by the Board at Freetown in the months of January and July in each year, and at such other places and times (if any) as the Director of Medical Services, with the consent of the Governor, in writing, shall direct.

(4) The Board shall have power to examine all persons who shall present themselves for examination under this Ordinance, as to their knowledge of drugs and poisons, and as to their ability to prepare and make up prescriptions and medicines, and as to their fitness to be entrusted with the sale of drugs and poisons:

Provided always that such examinations shall not include the theory and practice of medicine, surgery, or midwifery, and the said Board may grant or refuse to such persons certificates in the form set forth in Schedule C.
Provided also that the said Board may grant to any person who is a duly qualified pharmaceutical chemist or a chemist and druggist in the United Kingdom of Great Britain or in Ireland and is of good character and a fit and proper person to receive such certificate, a certificate in the form set forth in Schedule C without requiring him to present himself for any examination and without payment of any fee.

23. The Director of Medical Services shall be the Registrar of Licences.

24. The Registrar shall keep a register of every licence granted under this Ordinance in the form set forth in Schedule E, and shall cause to be published in the Gazette a notification of every licence so granted, and a general list of licences in the month of January in every year.

25. (1) It shall be lawful for the Director of Medical Services to grant a licence upon payment of the fee prescribed by section 28 to any person applying for the same who satisfies one of the following conditions, that is to say—

(a) is a duly qualified pharmaceutical chemist or a chemist and druggist in the United Kingdom of Great Britain or in Ireland, and produces a certificate granted under the provisions of section 22;

(b) produces a certificate granted under the provisions of section 22 of having passed a satisfactory examination as to his skill and competency to act as a druggist and is of good character and a fit and proper person to be licensed;

(c) produces a certificate of having passed an examination of the kind specified in paragraph (b) hereof in the Gambia, Ghana or the Federation of Nigeria and is of good character and a fit and proper person to be licensed, and in the opinion of the said Board competent to dispense and sell drugs and poisons:

Provided that, in the case of a dispenser who has been in the service of the Colonial Government for ten years, it shall be lawful for the Director of Medical Services, without requiring the payment of any fee, to grant a certificate entitling such dispenser to a druggist’s licence, either without examination or after such special examination as to the Director of Medical Services shall seem expedient.

(2) Such licence shall be in the form set out in Schedule D and shall expire on the 31st day of December of the year in
which the licence is granted, but may be renewed from time to
time on payment of the fee prescribed by section 28 hereof.

(3) Notwithstanding anything contained in sub-section (1)
of this section whenever the Director of Medical Services is
not satisfied that an applicant for a licence is a fit and proper
person to be granted a licence he shall refer the application to
a Board of Inquiry constituted as provided in sub-section (2)
of section 27 and the Board shall inquire into the matter and,
after giving the applicant an opportunity of being heard in
support of his application, submit a report thereon to the
Governor in Council. After consideration of the report of the
Board the Governor in Council may prohibit the grant of a
licence to the applicant or make such other order as he may
think just.

26. The Board shall keep a record of its proceedings, and
every certificate granted by the Board shall have a counterfoil
which, together with the certificate, shall bear a consecutive
number.

27. (1) Whenever any druggist registered and licensed under
this Ordinance—

(a) is convicted of any offence against this Ordinance or
the Dangerous Drugs Ordinance; or

(b) is convicted of any felony or misdemeanour; or

(c) is shown to the satisfaction of a Board of Enquiry to
be addicted to intemperance, incompetent or negligent in the
performance of his duties, guilty of any professional mis­
conduct or generally unfit to hold a druggist’s licence, whether
from the point of view of the safety of the public or otherwise,
the Governor in Council may, if and when he considers it
necessary so to do, revoke, suspend or prohibit the renewal of
the licence of such druggist and direct that his name be removed
permanently or temporarily from the register.

(2) The Board of Enquiry shall consist of the Director of
Medical Services and two other medical practitioners registered
locally to be appointed by the Governor. Upon any enquiry,
the druggists, against whom any conduct is alleged of the nature
specified in paragraph (c) of the last preceding sub-section,
shall be entitled to appear before the Board.

(3) The Governor in Council may, at any time, amend, vary
or revoke any such revocation, suspension or prohibition and
direct that the name of any druggist be re-inserted in the register.
(4) The Registrar shall without delay comply with any direction of the Governor in Council under this section.

(5) Anyone whose name has been temporarily removed from the register shall be entitled, on the expiration of the period of removal, to have his name restored to the register.

28. The fees payable under Schedule H of this Ordinance shall be paid to the Accountant General, and the Board shall do no act of any kind in respect of any application for examination until such fee or fees shall have been received.

Exceptions. 29. Nothing in this Ordinance shall be taken to extend or apply to the sale by any person of the following articles, that is to say—

(1) any patent, proprietary or homœopathic medicines—

(a) if sold in a box, bottle, vessel or parcel under the original wrapper or cover under which it was imported into Sierra Leone;

(b) if prepared by any person acting as a druggist in Sierra Leone and placed by him in some box, bottle, vessel or parcel:

Provided always that such box, bottle, vessel or parcel is properly secured and bears the seal, name or trade mark of the proprietor, inventor or manufacturer thereof, and that with each box, bottle, vessel or parcel, directions for the use of the contents thereof are supplied, and that if such medicine be a poison it be labelled as such, and a sale of poisons book is kept in the form hereinafter provided, and proper entries made therein;

(2) mineral or artificial waters or the salts or other material employed in their preparation;

(3) simple medical substances enumerated in Schedule F;

(4) any herb, vegetable, gum, oil or seed in its natural state not being a poison, though the same may be employed in medicine;

(5) any herbal or native preparation which is supplied by any person dealing only with herbal or native preparations used as medicine in Sierra Leone.
30. Save as hereinbefore provided, no poison shall be sold or dispensed by any person other than a druggist licensed under this Ordinance, and every druggist shall keep a book called the "sale of poisons book," which shall be in the form in Schedule G.

The Commissioner of Police, an Assistant Superintendent of Police, any inspector or sub-inspector, or any person who holds an authority in writing, signed by the said Commissioner or any Magistrate, may between the hours of eight in the forenoon and four in the afternoon of any day (except Sundays, Christmas Day and Good Friday), in the presence of the druggist or persons selling poisons under the provisions of the last preceding section, inspect the "sale of poisons book" kept by him, and any druggist or other person refusing or failing within a reasonable time to produce such book for inspection shall be liable, on conviction, to a fine not exceeding five pounds.

Any such authority in writing shall, if required, be produced by the person to whom it has been granted before such person shall be entitled to inspect the "sale of poisons book."

31. It shall be unlawful for any druggist to dispense, sell or deliver any poison—

(a) to any person unknown to the seller, unless such is introduced by some person known to the seller;

(b) unless, before the delivery of any poison, an entry is made in the "sale of poisons book" by the seller, and signed by him and by the person, if any, who introduces any person unknown to the seller, and by the person to whom the article is sold. Such entry shall state the date of sale, the name and address of the purchaser the name and the quantity of the poison sold, and the purpose for which it is stated by the purchaser to be required;

(c) unless the box, bottle, wrapper or cover in which such poison is contained is distinctly labelled with the name of the poison and the word "poison," and with the name and address of the druggist selling, dispensing or delivering such poison:

Provided always that nothing in sub-sections (a) and (b) of this section shall apply to any medicine supplied by a duly qualified medical practitioner to his patients, or to any medicine supplied by a druggist in pursuance of a written prescription of any duly qualified medical practitioner, if at the time of selling or dispensing the same the druggist enters in a book, to be kept by him for the purpose, the prescription, the name
of the duly qualified medical practitioner who has signed the prescription, the person to whom, and the date at which, the poison shall have been so sold, dispensed or delivered.

32. If any person shall contravene any of the provisions of the three last preceding sections, he shall be liable on conviction, to pay a fine not exceeding five pounds for the first offence, and not exceeding ten pounds for the second, and not exceeding twenty pounds for any subsequent offence and, in default of payment of any of such fines, to be imprisoned, with or without hard labour, for a period not exceeding three months.

33. If any licensed druggist shall at any time wilfully refuse to compound, dispense or sell to any person whatever any drug or any appliance or thing whatever used in medical treatment and in his shop or premises contained, or shall falsely or negligently compound, dispense, or sell any drugs or appliance or thing whatever, directed by any prescription or order signed with the name or with the initials in his own handwriting of any duly qualified medical practitioner, such person so offending shall be liable, on conviction, for a first offence to pay a fine not exceeding five pounds, and for a second offence not exceeding ten pounds, and for a third offence not exceeding twenty pounds:

Provided that if any person shall vexatiously or without just cause call upon a licensed druggist for the purpose aforesaid between the hours of eight in the evening and six in the morning, such person shall, on conviction, be liable to a fine not exceeding five pounds.

34. No poison shall be sold, dispensed or delivered by the assistant, apprentice or shopman of any druggist, unless such assistant, apprentice or shopman shall hold a certificate granted under this Ordinance.

Any assistant, apprentice or shopman contravening this section, and any druggist who permits or suffers such assistant, apprentice of shopman to contravene this section, shall be liable, on conviction, to a penalty not exceeding five pounds, or, in default, to be imprisoned, with or without hard labour, for a period not exceeding three months.

35. Dispensers, nurses, dressers and apprentices in the service of the Government shall, in respect of their employment by the Government, be exempt from the operation of this part of this Ordinance during such time as the Governor may think fit.
PART III.—MISCELLANEOUS.

36. Any person who shall wilfully procure, or attempt to procure, himself to be registered under this Ordinance by making or producing, or causing to be made or produced, any false or fraudulent certificate, representation or declaration, either verbally or in writing, and any person aiding or assisting him therein, shall be deemed guilty of an offence, and shall on conviction thereof be liable to pay a fine not exceeding fifty pounds, or to be imprisoned, with or without hard labour, for any term not exceeding one year.

37. Any person who shall wilfully destroy or injure, or cause to be destroyed or injured, any register or any part thereof shall be deemed guilty of an offence, and shall be liable to imprisonment, with hard labour, for any term not exceeding two years.

38. No erasure shall be made in any register or certified copy or extract thereof, but if any error shall occur, then a line of red ink shall be drawn through any word improperly inserted so as to leave the original word legible, and any word which may have been omitted shall either be interlined or written in the margin with red ink, and the Registrar shall subscribe his name in the margin opposite to such correction.

39. (1) All prosecutions for offences under this Ordinance shall be commenced within twelve months after the offence shall have been committed.

(2) Prosecutions shall be dealt with summarily where the punishment prescribed is a fine not exceeding twenty pounds, and may be dealt with summarily when, in the opinion of the Court, the offence is of such a nature that it would be adequately punished by a fine not exceeding twenty pounds, or, in cases where imprisonment is prescribed otherwise than in default of payment of a fine, by imprisonment, with or without hard labour, for a period not exceeding three months.

40. It shall be lawful for the Governor in Council from time to time to make rules for the more effectual carrying out of the provisions of this Ordinance, and to annex to a breach of any rule a penalty, on summary conviction, not exceeding fifty pounds.
41. The Director of Medical Services may, with the approval of the Governor, delegate any of his powers and duties under this Ordinance, or any Ordinance amending the same, to any Medical Officer in the Public Service of Sierra Leone, upon such terms and conditions as he shall think fit; and the fact of any such delegation, and the terms and conditions thereof, shall be published in the Gazette.
